

Clarence Bailey Is Partner With Onis Crawford at D&H

Among the numerous business transactions that have been pending over the past weeks in Hamlin, the only negotiation that was given official release was that in which Onis Crawford and Clarence Bailey purchased the interest of Everett Townley in the D. & H. Department Store.

Bailey has resigned his position with Bryant-Link Company and Crawford likewise has severed his connection with Banner Dairies. Both are now assisting in the taking of inventory at the D. & H. store and further details of the transaction were not available.

Bailey informed a Herald representative that they are making an effort to complete their inventory in time to permit a Saturday opening for business.

Townley has not announced his plans for the future.

Nobles Car Goes On Unscheduled Tour

Excitement was caused in the neighborhood of Mrs. Vera Nobles Thursday when her automobile went on a tour that was not personally conducted.

Mrs. Nobles had driven the car from her garage and left the motor running while she returned to her house to prepare for the trip to the business district. While she was engaged in the house, the hydraulic drive became engaged and Mrs. Nobles emerged from her home to find her car gone.

A frantic search found the car obstinately trying to climb the curb fronting on the Joe Culbertson home after it had followed a meandering course to those premises.

Rotarians Hear of Progress from Witt

Ivy Witt was the speaker at the Wednesday meeting of the Hamlin Rotary Club.

Witt outlined projects that the club had accomplished in the past year and made his recommendations for further community service from the club in 1951.

The meeting was the final gathering of the club in the current year.

A good attendance marked the final meeting.

Watts Fletcher Is Buyer of Jay Home

Announcement was made here Thursday that Watts Fletcher had purchased the residence now occupied by Mr. and Mrs. Eddie Jay.

The residence will be surrendered to Fletcher when the new home being built by Jay is completed.

The new Jay home is nearing completion and its stone construction is the envy of many of Hamlin's home owners.

Hamlin Preps For District Hoop Play

The Pied Pipers of Hamlin High school were called back to practice Thursday night by Coach Vernon Townsend and intensive drills will be on the program for the next few days in an effort to prepare the local five for the opening of district play on January 2. Roscoe is to be the first opponent for Hamlin in district play and that hardwood aggression has already demonstrated in tournaments entered that they are a strong club.

An open date on January 5 will permit the staging of the annual game with the faculty. This fray is the subject of much drum-beating on both sides and claims and counter claims are being made from both camps.

Schedule of games to follow the faculty encounter finds Snyder coming here for a January 9 game to be followed by the appearance of Colorado City here on January 12.

On January 16, the Pipers go to Merkel and they have a January 19 date at Rotan. January 22 is to find the Pipers going to Avoca for a return visit to that basketball capital. This game is not a conference fray.

Roby will provide the opposition at Roby on January 23 and then the Pipers hit the road for Roscoe once again on January 26. A breather comes until February 2 when the Pipers return to Snyder to take on that five. The tour will continue on February 6 with the Pipers at Colorado City.

Two home games follow with Merkel on February 9 and Rotan on February 13. The Pipers will close conference play with Roby there on February 16.

Negro Steals Car For Return to Arkansas

A 1950 model Ford which had been accepted in trade by Jack Farrow at his Kaiser-Frazer sales agency caught the eye of a roaming negro last Thursday night.

The negro apparently longed for his home in Arkansas and found the Farrow car to be the most suitable means of transportation.

He got as far as Weatherford before his overload of spirits became noticeable enough to excite suspicion. Sheriff Bill Dunwoody was called and he and Farrow went to Weatherford to reclaim the car.

They were not able to get there before the negro had done about \$200 collision damage to the car.

Holiday visitors in the home of their parents, Mr. and Mrs. C. E. LeBaume of Hamlin were: Inez LeBaume of Abilene, Lewis LeBaume of Snyder, Mr. and Mrs. Earl Jones and children of Sweetwater, Mr. and Mrs. George LeBaume and children of Hamlin.

Mr. and Mrs. H. O. Cassie, Jr. and children, Fred and Joyce, of Wichita, Kansas and Mr. and Mrs. Harry W. Pitzer, of Chickasha, Oklahoma, were Christmas guests in the H. O. Cassie home.

Mrs. B. M. Brundage and Mrs. Jimmie Simmons visited relatives in Fort Worth over Christmas.

Cassie Well Is Nigh In Swastika Sand

The Texas Pacific Coal and Oil Company has set pipe on their H. O. Cassie Number 4 venture in the Pardue field. The well will be completed in the Swastika sand.

Reports are that the well ran substantially higher than previous wells on the same lease and indications are that production will be greater from the new apparent producer.

Interest continues to center on the J. P. Robertson well as drilling was resumed after a Christmas holiday. This venture had encountered a gas show in the upper Strawn, according to reports but no other show was encountered at subsequent levels. The hole is nearing the Ellenburger depth and is being closely watched as it approaches that level.

The new Thomas Ferguson well was reported to have reached a 2,500-foot depth Thursday. This hole is being drilled in the approximate center of the Ferguson property and bears definite indication of being another producer.

U. S. Highway 180 To Receive Seal Coating

As a result of the National Emergency the State Highway Commission was announced that Jones County part will be on the U. S. Highway 180 from the Fisher County line to Anson, a distance of approximately 15 miles.

The State Highway Engineer is directed to proceed in the most feasible and economical manner with the work of placing a seal coating on the strip.

A total of 179 counties are to receive projects which will cost \$7,885,000 for 3,100 miles of betterment and maintaining existing roads and to forestall their deterioration. This includes no new construction.

Elementary Band Held Two Concerts

Hamlin's Elementary School performed in assembly programs for both the Elementary and High Schools last week.

Opening concert, for this year, was held last Wednesday at 9:30 a. m. in the Elementary auditorium; followed by the performance at the High School last Thursday at 1:30 p. m.

Several parents were in attendance both times, and the young musicians were received warmly, a report to The Herald stated.

Both programs were similar in content, the numbers being: "Forward March", "Polly Waltz", "Moonlet Glade". Big number was "Musical Overture" which was followed by several folk and popular tunes. Several marches were played during the program and the closing march was "Bobby-Soxers."

Program was under the direction of Walter P. Chalcraft, musical director, who announced that beginning classes will be opened to all interested students in the fifth and sixth grades next semester.

Babson's Business, Financial Report Given

Roger W. Babson's Business and Financial Outlook for 1951 is as follows:

1. Excluding defense orders, the total business volume in 1951 will be less than that for 1950. However, National Income in 1951 will be the highest ever recorded as war orders take the place of peace production and high prices prevail.

2. The outstanding feature of 1951 will be the ever-increasing interference of the government in the lives of businessmen and consumers.

3. The Administration and its economic advisors are firmly convinced that radical inflation is about to break out next year. But the "brain trusters" are overlooking the fact that the boom is

already old and that it was creaking badly when the Korean War broke out. War postponed the downturn which would have taken place much sooner. The date of the slide has only moved ahead.

4. Rushing to catch up on its neglected defense program, the Administration is anxious to shrink business volume to an unnecessary degree. Efforts at first will be along the line of tighter credit curbs, such as restrictions on mortgage and installment loans and increased bank reserve requirements.

5. As 1951 wears on, the effect of credit controls will cause a decline in legitimate business. Civilian production will decline more than armament production will increase. The public may then cry, "This is a government-

made slump; let's get rid of the controls." 6. If in 1951 it becomes evident that business is declining too fast as a result of government curbs, the planners at Washington may rush their patient into an oxygen tent.

7. Most labor groups will not be successful in getting a sixth round of wage increases in 1951. Although there may be more strikes in the first part of 1951, there will be fewer for the whole year as compared with 1950.

8. Tightness in the labor supply will be continued as the year wears on, particularly of highly skilled workers.

9. The Taft-Hartley Law will not be repealed during 1951 but may be amended. The Administrators of the low will continue

to wink at some of its clauses.

10. Wholesale sale prices of many commodities will be marked by a mild decline in 1951, when compared with the price level for December 31, 1950. In some lines the drop may be quite steep from the high levels of late 1950. Retail prices for 1951, I do not now forecast.

11. The year 1951 should prove an excellent time to keep a tight grip on inventories. Commodity speculation for this will not pay in 1951. Furthermore, our expanding stockpiles of strategic materials present a real price threat in the event of a peace scare. Such stockpiles could then act strongly as a depressor on prices.

12. The cost of living will remain high during 1951. This pre-

diction recognizes that, living costs next year may be above the lower levels that existed during the first half of the year now closing.

Farm Outlook Good.

13. Farmer's income for 1951 should average no less than that for 1950. Since the trend in the first half of 1950 was down, this forecast is not so optimistic as it might otherwise seem, for there is likely to be a weakening of the farmer's income position during the latter part of 1951.

14. Barring crop failures, the total supply of food available should be larger in 1951 than for 1950, since the government will raise planting quotas as part of its attack on inflation. If the weather is extremely favorable, the government will be blamed for farm-price weakness during

the latter part of 1951.

15. With prospects good for a rising supply of feed grains, meat should be more plentiful next year than in 1950. Prices for meat, however, will be held up by continued high National Income and by military needs.

Taxes Will Be Higher

16. The burden of federal taxes, both corporate and personal, will be increased again in 1951. State and municipal taxes will remain high.

Babson Report

supplies.
26. As was the case this year, many domestic manufacturers will feel increasing competition from foreign merchandise. The cry for increased tariff protection will be heard again in the land.
27. Business and financial forecasts for next year are NOT based on the thought that World War III will start in 1951. Russia is certainly heading for war, but we do not believe she now wants it in Europe. She will be satisfied to have her satellites continue taking unexpected jabs at us, while the Politburo boys

hand out the soothing syrup. But we may see another episode like "Korea" in 1951.
Deficit Financing After June.
28. The first half of 1951 may actually see a budget surplus as a result of high National Income and increased taxation. Later, if Congress goes along with the Administration's plans for huge rearmament a federal deficit will arise during the last half of the year.
29. As a result of the preceding prediction, money supplies should not begin to rise until after business has turned down. Increases at such a time are not likely to have much effect on prices.
30. Government bonds will be held tightly between the floor of Federal Reserve support purchases and the ceiling of Federal Reserve anti-inflation sales. Under such conditions, price changes should be negligible.
31. A great deal will be heard in 1951 about giving the Federal Reserve Board powerful controls over member bank loaning policies. Congress is not likely to pass such controls, however, unless commodity prices go a lot higher, or World War III comes.
Stock Market and Bonds Outlook Uncertain.
32. I see nothing now to indicate that we are entering a period of improved international relations. The danger of war remains. Until it disappears, wise people will move out of large bomb-vulnerable cities and avoid having investments in such areas.
33. The Stock Averages may work somewhat higher during the first half of next year, but sometime during 1951 they will sell lower than current quotations.
34. Stocks now in the best position for 1951 should be those that have not been popular as inflation hedges in the past months. I like good chain store stocks.
35. Investment Trust funds, pension funds, and insurance companies will provide an excellent backlog of demand for sound Income Stocks where good values can be demonstrated.
36. The successful investor next year will be the one who follows program. Such a program will emphasize diversification — not only by company and industry, but also by quality. Overconcentration will not pay in 1951.
37. Highest-grade taxable corporate bonds should hold in a narrow price range during 1951, but I see no reason for individual investors buying them. For my forecast for long-term government bonds, see No. 30 above. The only corporation bonds which interest me are Convertibles.
38. With income taxes slated to increase in 1951, tax-exempt bonds should continue in good demand. There has been some speculation in these, however, and any downward change in the tax outlook might cause a sudden turnabout in prices for municipals. Investors should see to it that their bond maturities are carefully diversified, with some part of their bond funds maturing each year.
Real Estate Activity to Decline.
39. The real estate outlook for 1951 will be strongly affected by curbs on mortgage credit. Much of the recent boom was the result of easy credit—almost nothing down and small easy payments for years hence.
40. New home construction will suffer a greater decline than on other lines. Nonessential commercial building will also be hit.
41. The coming decline in new building will throw a wet blanket over speculation in vacant suburban lots.
42. The scare caused by the Korean-China War and fears of an early outbreak in other sec-

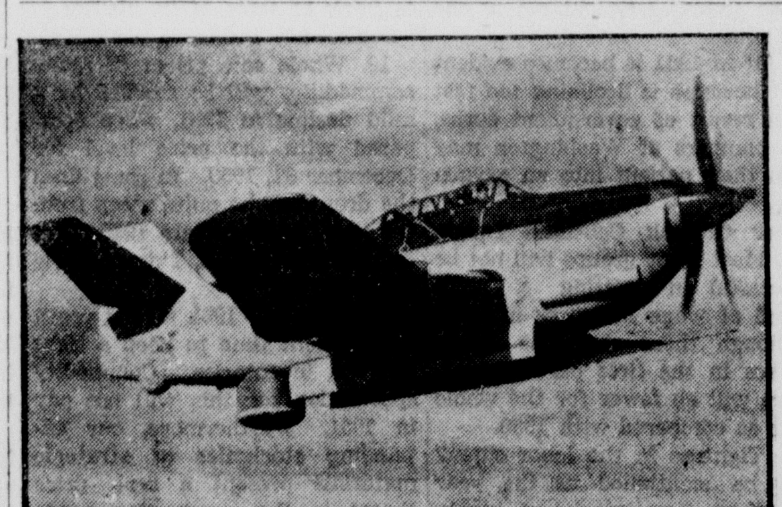

tions will adversely affect the demand for big city real estate. Lower business volumes and the Draft next year will also curtail such demand.
43. Small sustenance farms should hold up well in price as demand will be spurred by those seeking refuge outside the big cities. Demand for large commercial farms, however, should weaken as the year progresses.
44. The swing back toward rent control will act as a further damper on new building. There is no incentive to build homes for rental income.
45. Tighter credit controls will make it more difficult to purchase older residential properties, and the prices for these should weaken.
46. As building volume slackens in 1951, the quality of available materials and workmanship should improve. This will help those who have saved their money and can pay for at least half the cost of a new home.
Defense Orders and Politics Will Increase.
47. Those who can do so should attempt to get defense orders as a means of holding up production volumes and reducing overhead. Not too much profit from such war business should be expected, however, as these contracts will be subject to tightened renegotiations.
48. The political outlook for 1951 will be completely dominated by jockeying for position in the Presidential race for 1952. Most of Congress' time will be spent on International Problems; but either War or Peace could come early in 1951, which could make many of the above forecasts useless.
49. In Domestic Matters, despite recent election changes in party alignment, Congress will still be dominated by a conservative coalition of Northern Republicans and "undegenerated" Southern Democrats. When the heat is on in a tough fight, the North-South coalition will still be able to curb onslaughts by New Dealers.
50. We are gradually headed for a One Party System and finally a Dictatorship. The Republicans will sometimes win with the slogan "Had Enough?"; but their reign will be short-lived. Too many persons are following the pernicious doctrine of asking for higher wages and shorter hours, speculating in stocks and goods, growing rich on paper, voting Democratic for selfish reasons and letting the country go.
SPECIAL
The United Nations will withdraw from Korea during 1951. The United States in 1951 will have the largest National Income of its history.
Trichomoniasis, a bovine venereal disease that causes abortion, can be spread to cows through artificial insemination.

As the clock's hands circle to the last moment of the year we offer this hope for a happier one to come.

A New Year . . . with new problems. . . A New Year . . . with new hope. . . and with new strength born of a challenge and a vision of the future. . . A New Year. . . with renewed determination growing out of our faith in the boundless resourcefulness and ingenuity of America . . . A New Year . . . into which we march with employment soaring to new peaks . . . with individual earnings mounting to new heights. . . spreading prosperity to all levels . . . with mounting production topping all records . . . A New Year . . . during which problems precipitated by those who envy and would destroy the example of freedom our Nation sets, are the only clouds on the horizon . . . A New Year therefore . . . with a challenge for us to multiply our ability to defend freedom wherever it may be threatened while we continue to work for the expansion of the benefits of our own way of life.

..

Never have we as a nation failed to meet such a challenge . . . and never will we fail to do so, so long as our unity of purpose remains firm . . . True, it will require more effort . . . But it is worth it . . . for then . . . even as now . . . there will be enough to give us all everything we require to maintain our superior standard of living . . . to help others . . . and also to insure the security of democracy in this world. But whatever you really need . . . but be thrifty . . . Work a little harder at every task to produce more. . . and this can indeed be a memorable year . . .

..

We at THE HERALD wish to you and yours a Happy and Prosperous New Year for 1951!

Cotton Plaids Are Picked for 1950-51

MAGIC nylons, silky synthetic fabrics and eye-catching rayon blends all have their place in the modern fashion world but for all around usefulness, old-fashioned Dame Cotton still holds her place in Milady's limelight.

And so small wonder that the all-cotton wardrobes displayed by the National Cotton Council in New York have been fetching "ohs" and "ahs" from fashion fans everywhere.

"Scotch, please," seemed to be the request of the NCC pattern creators when they designed the chic scoop-neckline dress, at right, for their 1950-51 collection of winter fashion pieces.

Featuring a reversible tuxedo coat with black velvet on one side that contrasts pleasingly with the Galey and Lord's metallic-striped plaid on the reverse side (right), the dress is ideal for "after dark" occasions requiring sophisticated glamor.

Still another masculine type creation embodying plaid appears at left, a smoking jacket done in Farguharson Panama cloth. Masculine in flavor, the novelty jacket is paired with black velvet slacks to match the jacket's eye-catching trim.

Scotch plaid patterns are twice-blessed choices in that they can be used in both cocktail costumes and casual "around the house" ensembles.

Furthermore, pleasing cotton plaids can be obtained with warm colors that will ward off Old Man Winter's cold breath at scotch-thrifty prices.

Annual HD Council Christmas Party Held

Annual Christmas Party of the Jones County Home Demonstration Council was held at Memorial Hall at Anson last week, with 67 women attending.

Everyone present prepared a favorite food and brought it for the noon meal.

The council met immediately after the meal.

Mrs. Maxey Harvey of Willow Creek was endorsed by the group as a candidate from the county to the Texas Home Demonstration Association civic president of District 7.

Mrs. Lou Polnac, council chairman, presided at the program and led the group in a prayer for peace. Willow Creek Club led the group as everyone sang, "The Song of Peace." Mrs. Ruth Carlton of Pleasant Valley gave a reading, "The Night Before Christmas."

Mrs. Dale King of Harmony Club told the story of "Today's Christmas Traditions." "The Story of Christmas Carols" came next with the Friendship Club singing all the carols. Mrs. A. B. Rainwater of the Friendly Circle Club gave the story of "God Rest Ye Merry Gentlemen."

Mrs. I. B. Ray of Compere gave the story of "Oh, Little Town of Bethlehem." Mrs. F. F. Carter of Goodman told about "Hark, The Herald Angels Sing" and Mrs. Ed Lynn told about "Silent Night." Hodges led the group in singing "Jingle Bells."

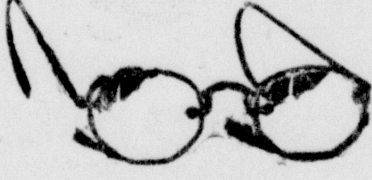

Yule Guests Gather In Andress Home

A Christmas celebration was held in the home of L. R. Andress and family of Hamlin during the holidays.

Dinner guests at the fete were: his father, Mr. and Mrs. Albert Andress of Brownfield; Mr. and Mrs. Earl Andress, Mickey, Jamie and Norman of Lubbock; Mr. and Mrs. Vernon Andress, Momque and Vernon Edward of Odessa; Mrs. J. F. Drennan and grandson Johnnie Croucher of Lubbock.

Gifts were exchanged at the end of the party.

Mr. and Mrs. Elton Allison, Gloria and Elton Wains of Lubbock; Mr. and Mrs. Elmer Andress of Hamlin; Mr. and Mrs. Will Andress of amlin; Mr. and Mrs. John Frank Maherry of McCaulley.

Carl Jensen Buried In Erickdahl Rites

Carl Jensen, 83, died at his residence in Hamlin, 52 North-east Avenue A last Friday at 10:40 a. m.

He was a prominent Jones County landowner and a retired farmer.

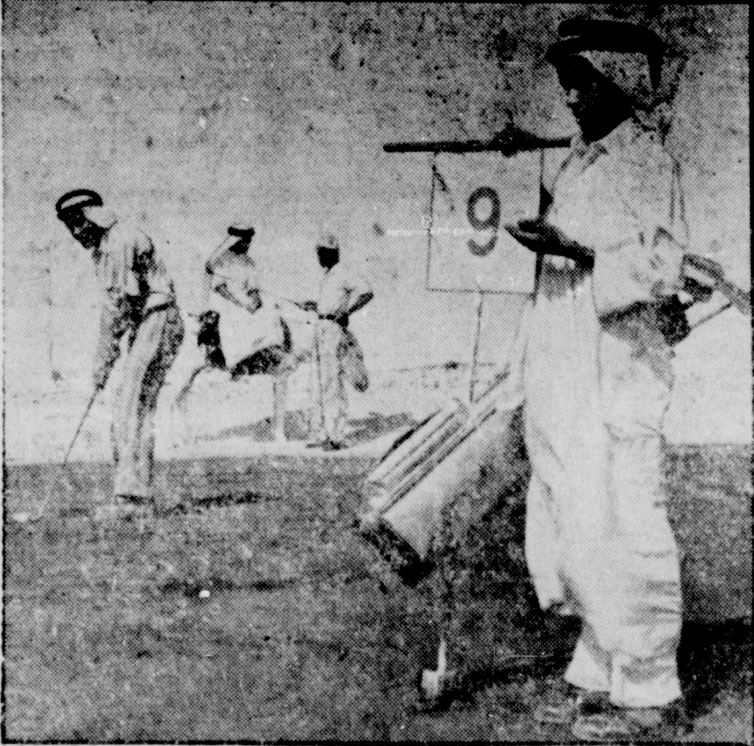

Funeral services were conducted Sunday at 3:30 p. m. at the Erickdahl Lutheran Church, 12 miles east of Stamford. Dr. Hugo B. Haterius officiated.

Interment was in the Erickdahl Cemetery under direction of Barrow Funeral Directors.

Mr. Jensen was born in Denmark September 11, 1867 and came to America 60 years ago. He was a naturalized citizen of the United States. He married Marie Peterson at Hutto, 58 years ago. The couple moved to the Avoca community in 1908 and to Hamlin in 1941.

Survivors include: the widow, three daughters, Mrs. Anna Johnson of El Campo, Miss Astrid Jensen and Mrs. Haskell Carter of Hamlin; two grandsons, Raymond Johnson of Wilmington, Delaware and Clifford Johnson of Uvalde; two brothers and one sister in Denmark.

GRASS-LESS GOLF COURSE—Playing on what would be a nightmare to most golfers, a grass-less golf course built in a giant sand trap, this Arab sets himself for a putt, while his partner, in background, explains the game to a mounted friend. The Arabs, oil company employees, learned the game from American co-workers, who built the course on the outskirts of Dhahran, Saudi Arabia, using oil to color the sandy white "greens."

GUEST OF EARL CROWS. Horace Crow, son of Mr. and Mrs. Earl Crow has been called again for active duty in the U.S. Army Air Force. He is to report to Brooks Field at San Antonio January 4 for assignment and was a Lt. in the reserve.

... so some gentlemen wore dirty shirts!

During California's Gold Rush, a clean shirt was worth its weight in gold. Forty-miners gladly paid \$1.50 to have a shirt washed... and waited weeks for delivery!

Nowadays, you can wash two tubfuls of shirts—or anything else—for one penny. And in minutes! Easier washdays are just one of the many benefits of electric living.

Think about it for a moment. How many jobs has electricity helped you with during the last 24 hours? How many comforts, conveniences, and pleasures has it made possible?

And yet your electric service is today's biggest bargain! It costs the average West Texas family less than a pack of cigarettes a day! Only experienced employees and sound business management can make such a value possible!

Wanda Jean Mayfield Weds Robert Townsend In Home Double Ring Ceremony Tuesday

Wanda Jean Mayfield, daughter of Mr. and Mrs. Alton Mayfield, was married to Weldon Robert Townsend, son of Mr. and Mrs. W. A. Townsend, all of Hamlin at the rites conducted Tuesday.

The double ring ceremony was read by Rev. A. R. Posey, pastor of the First Baptist Church. The wedding music was played by Mrs. W. C. Russell. Mrs. B. G. Nunley sang, "Because" and "Ah, Sweet Mystery of Life."

Matron of honor was the bride's sister, Mrs. A. H. Trotter. Her gown was of sea green taffeta with rounded neckline and a ruffled collar. She carried a nosegay of mums with ribbons matching her dress and wore a halo hat of sea green.

Other attendant's for the bride were: Suzanne Toler, who wore a yellow dress identical to the matron of honor's, with flowers and hat accented in yellow.

Pauline Mayfield, sister of the bride, wore a blue dress identical in design to the other attendants and accessories of blue. Mrs. Joe Weir, wore an identical dress and

accessories in orchid.

The bride was given in marriage by her father. She wore a white satin and Chantilly lace dress with a train edged in the Chantilly lace. Her illusion veil was caught with an upswept halo of seed pearls, rhinestones and orange blossoms. Sleeves were lace capped and puffed and was wrist length. She carried orchids on a white Bible.

Best man was Aubrey Ray Altum, a student at Hardin - Simmons, Abilene. Ushers were: A. H. Trotter and D. J. Turner.

A reception was held immediately following the ceremony at the bride's home.

The bride is a graduate of an Abilene Business School and secretary for the Hamlin Public Schools. She graduated from Hamlin High School and was a member of Junior Literary Club, Sub-Deb and a Yell Leader in the Pep Squad.

Townsend was a graduate of Hamlin High School and of the Florrie School of Telegraphy in Dallas. He is employed in Aspermont.

King Winter Spotlights King Cotton

THE arrival of King Winter is a cue for King Cotton to go north. Although generally considered a summer fabric, cotton has successfully stolen this year's snowy fashion scene by virtue of its light weight and versatility.

The cotton boucle tweed suit (right), for instance, makes a practical, crush-resistant travel costume. Featuring a belted, button-front blouse, the suit achieves graceful lines with a slim tapering skirt.

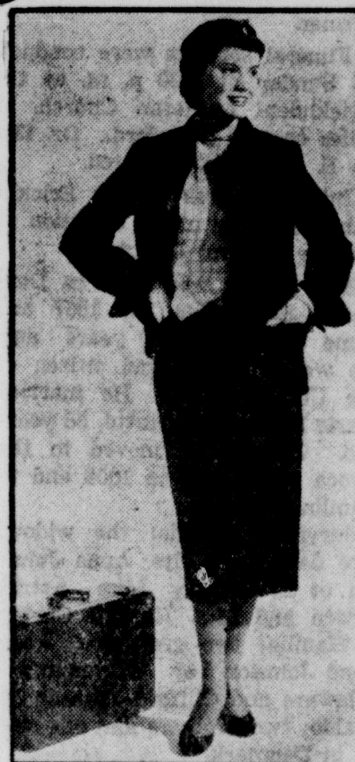

Black accessories, a gold choker and novelty bracelets further compliment the pert ensemble.

For the outdoor girl en route to a winter sports resort, a corduroy suit won accolades at the National Cotton Council showing in New York.

The New York designers teamed a boxy braid-trimmed jacket and slim skirt with a tattersall-checked corduroy weskit (left).

Light-colored gloves and a velvet-trimmed tailored felt hat gave added zest to the smart and practical outfit. And the jacket may be worn as a separate with harmonizing or contrasting skirt. The skirt, too, can do double duty in the wardrobe.

Both creations, previewed in New York, seem to indicate that Cotton is on the march and will henceforth move north for the winter as soon as the birds streak south.

Prenuptial Party Given For Wanda Mayfield

A prenuptial party for Wanda Jean Mayfield was given last week in the home of Mrs. Ray Huling.

Mmes. I. R. Huchingson, Carl Young, Bonnie Bigham, Tom Vaughan, Bill Ford, Joe Weir, Elmer Terrell Jr. and John Hill were co-entertainers.

Around 100 guests attended the fete. Tea and refreshments were served from a table decorated with pastel flowers.

McCaulley News

By VIVIAN SHORT

The weather man outdid himself on the beautiful, balmy holi-

days, but as I write this Tuesday afternoon, it is cold and windy.

Wayne Webb and family of Kress are holiday visitors with Mrs. Webb's parents, Mr. and Mrs. Beech Jones.

Home for the holidays from colleges are: Mary Ann McCollum of Texas University, Austin; Pat Maberry of McMurry, Abilene; Bonnie Beth Jones of McMurry, Abilene; James Edward Lawlis of

HER UDDER TALENT—They laughed when Glenda Rowland, named a Fair Maid for the Arizona State Fair in Phoenix, sat down to play milkmaid for an enterprising photographer. But the jeers turned to cheers when Glenda proved that besides being easy on the eyes, she's a darn good milker.

Texas Tech, Lubbock and Tyrus Hicks of Draughton's Business College, Abilene.

Cecil Brown and family of Houston are visiting his parents, the M. D. Browns.

Mr. and Mrs. W. C. Kean and family left last Friday for Jacksboro to be with her relatives for the holidays.

Mr. and Mrs. Turner Beard of Levelland are holiday guests of the Luther Rectors and Mrs. W. M. Keller.

Cecil Eivens and family of Levelland are visiting this week of his mother, Mrs. A. M. Eivens and his sister, Ila Eivens.

Mr. and Mrs. Howard Davison of Lubbock were Christmas Day guests of his parents, the W. F. Davisons.

Mr. and Mrs. Leldon Clifton spent Christmas with her parents, the F. L. Rectors.

Mr. and Mrs. H. H. Parker and Mr. and Mrs. Bill Fancher left last Sunday morning for Pampa to spend the holidays with Mrs. Parker's sister, Mrs. Ethel Redman, and Mr. Redman.

Mrs. Jimmie Dee Jackson and son of Abilene spent the holidays with her parents, the Albert Georges.

Wedding bells rang out in McCaulley during the holiday season when Gerry Rush and James E. Lawlis were married Sunday. Margaret Darden and Ben Cockrell were wed Tuesday afternoon. Congratulations and good luck!

Rev. and Mrs. L. R. Stuckey and family spent the holidays with her mother at Bronte.

Mrs. Jess Humphries was dismissed from the Hamlin Memorial Hospital last Friday in time to be home for Christmas.

Billie Max Waldrop of Dallas was a holiday guest of his mother, Mrs. E. C. Waldrop.

Miss Pettie of Abilene was a holiday guest of Miss Lou Boyd,

who was home from Lamesa for the holidays.

Visitors over the holidays in the home of the C. D. Jones were: Bennie Ral Jones and family, Johnnie Max Jones and wife and Bonnie Beth Jones, all of Abilene.

The John Deans were holiday visitors with their son, Granville Dean and family of Fort Worth, and their daughter in Dallas.

The Ben Shorts left Sunday morning for Gorman where they spent Christmas Eve and Day with her brother, V. W. Day and Mrs. Day; and on to Fort Worth to be with Mr. Short's aged mother, Mrs. C. L. Short for Christmas Day.

A Thought to Remember—"You can be good without being great, but you cannot be truly great without being good.—O. D. Henley.

So long—and I do hope you have a happy and prosperous 1951.

Many wonderful things happened to us in 1950. Sure we had a war... but it showed the world that though America is a wealthy nation, it surely isn't soft. Maybe the tough ones who talk war will now think a second time. So, we welcome in 1951 with the devout wish that it brings peace and happiness to all of you, our friends.
